

SEQUENCE LED LIGHTBOX

EDGE LIT THIN PROFILE

Very cost effective and energy efficient.

This edge lit floor stand light box has multiple lit stages which repeat. It can also be wall mounted.

LED lighting sequences can be custom made to any image you select.

The custom floor stand shown to the right has the following dimensions:

Top - 30" x 40" x 2" (V.O. 29" x 39")

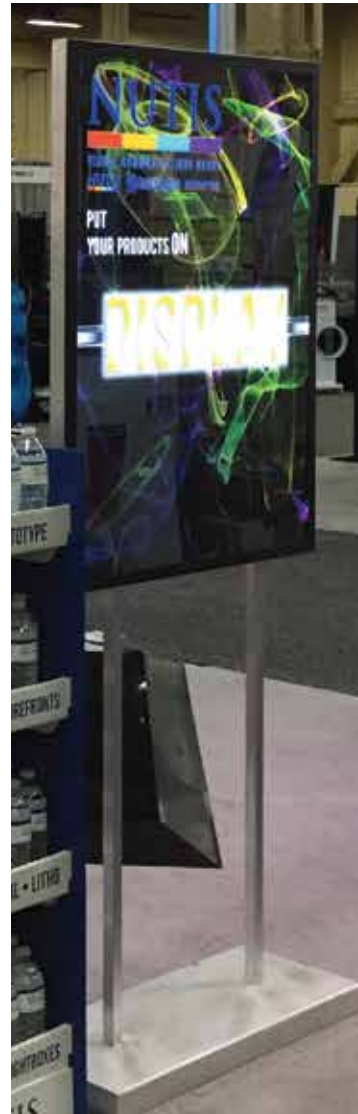

Legs - 36" x 1" (each)

Base - 30" x 12" x 2.5"

Overall - 30" x 78.5" x 12" (at base)

This design can be incorporated to virtually any size.

Frame - Brushed Aluminum Stand (w/snap frame)
Graphic - Direct to Duraprint

1st stage

2nd stage

3rd stage

4th stage
